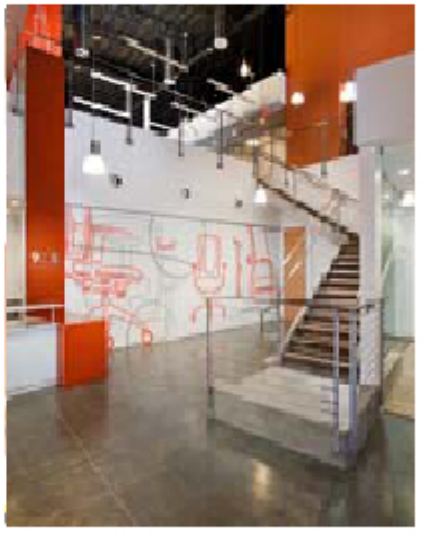
9 to 5 Seating Corporate Headquarters Los Angeles

Developer: 9 to 5 Seating
General Contractor: KPRS Construction Services, Inc.
Architect: Ware Malcomb


9 to 5 Seating is a manufacturer specializing in the design and production of ergonomic office seating. The company's vision for its new corporate headquarters was to create a greater share of the future through a progressive, environmentally responsive facility. The 100,000 sq. ft. Hawthorne-based office has enabled the firm to have its first showroom presence on the West Coast, increase efficiency, triple capacity of its business operations, and implement a clean, modern and open design representing the company's unique brand and corporate culture.
